

FILIP MOTOVUNSKI

Ten Years Making Beats

Filip Vrtarić aka **Filip Motovunski** marked his first 10 years of continuous work as a drum n' bass DJ, scene activist and producer by releasing his first official debut entitled ***Ten Years Making Beats***. Album came out through in a double CD format which also includes a download card of the album.

The first single ***Shamboozie*** found it's way through virtual and social community prior to the album release.

Filip is one of the most recognized regional drum n' bass producers with over 500 shows home and abroad. ***Ten Years Making Beats*** is his first official full-length release. As a double CD it contains 52 songs altogether. The first CD entitled Best Beats contains a selection of Filip Motovunski's finest work of 15 songs. Some are new and some are remixes. The second CD entitled Mixed Beats contains a mix of 37 (!!!) songs and remixes. Besides the double edition CD, an extra addition to this release is a download card, with whom you can acquire the mix off the second CD which includes shout-outs from various active people from the scene, mostly of whom are Filip's friends and associates
