

KOZMODRUM

Gravity

Kozmodrum, a studio project by renowned musician **Janko Novoselić**, accompanied by a 5-piece live band has a second full-length titled **Gravity**. By joint cooperation between two record labels **Zona Muzika** and **PDV**, album was reissued in LP/CD/Digital formats.

Most of *Gravity* was formed during 2015 and 2016 in a home studio and marks the second phase of Kozmodrum which moves them more towards an electronic approach and eclectic sound. New style on yet-to-be-discovered horizon of club music. The original mixture called **Organic Dance Music** is the way in which Kozmodrum operates. Various structures of electronic styles such as techno, house, jungle and dubstep are used to create and to play new songs. At the same time other forms in the long tradition of jazz and fusion music gives enough creative space to musicians of this ensemble to fully realize a brand new mixture of sounds.

Members of Kozmodrum are quite recognized with their work in various music projects as well as playing with names like **Hans Joachim Roedelius**, **Sunao Inami**, **Reggie Washington**, **Peter Erskine**, **David Liebman**, **Alan Broadbent**, **David Murray** i **Saskia Laroo**.
