## Mladež bez Boga

Montažstroj, Zagreb Youth Theater, PDV Records and Ravno Do Dna at the end of 2018. , through the competition, invited music authors to make their own compositions called '*Mladež bez Boga*' and thus participate in a socially engaged cultural project. Their music could be written in their first language - "Mladež bez Boga ", " Jugend ohne Gott ", " Youth without God ", " Mladina bez Bog ", etc.

A jury composed of PDV, Ravno Do Dna and Montažstroj have selected nine works of music, signed by the following performers, to be released in alphabetical order: **Bigahye, Feta, Gloomie** feat. **DamXata, Hrvoje Štefanac, Izet Medošević, Marinada & Kozmodrum, Playground Hustle, Sinkauz, Xtematic.**

The compilation was released on February 22, two days after the show premiered, as a segment of the **#mladezbeboga** interdisciplinary cultural project. As part of the above-mentioned interdisciplinary project, Montazstroj also held a panel entitled "Youth without God / Mapping Radicalization", discussing whether we truly live in the age of radicalization. The tribune and the musical compilation "Youth Without God - Volume 1" are parallel projects, as part of the process of the creation of the theater play "Youth without God" by Borut Separovic, co-produced by the Zagreb Youth Theater and Montažstroj, which premiered on February 20, 2019.
